

THE NOT SO LATE SHOW

WITH ROSS AND JOSH

WHAT IS THE NOT SO LATE SHOW?

The Not So Late Show is the UK's finest alternative comedy experience. Hosted by **Ross Brierley** and **Joshua Sadler**, it's a late night chat show but more fun, more chaotic and more inventive than you could possibly imagine.

Each show is a unique event with a mixture of hilarious special guests from pop culture, appearances from the best of the UK's alternative comedy scene, daft sketches, idiosyncratic interactive games, homemade spoof adverts and audio and visual ingenuity.

WHO ARE ROSS AND JOSH?

Ross & Josh have amassed a cult following with their monthly shows in Leeds. They made their Edinburgh Fringe debut at The Pleasance in 2017. They are best known for **UK Garage Horse Racing**, which has over 5 million views online, was broadcast on E4's *Virtually Famous* and dubbed 'the funniest thing in the world' by Comedy Central.
